Your list of tea sources forms an essential part of our planning. We use this information to ensure that our global work has maximum impact across tea communities.

CEO-endorsed statement

All ETP membership categories are required to publish a CEO-endorsed statement explaining how they are working with their suppliers to uphold the best social and economic practices. The aim of this statement is to strengthen producer-buyer dialogue and to maintain the good practices that certification has catalysed. Your statement will be published on our website.

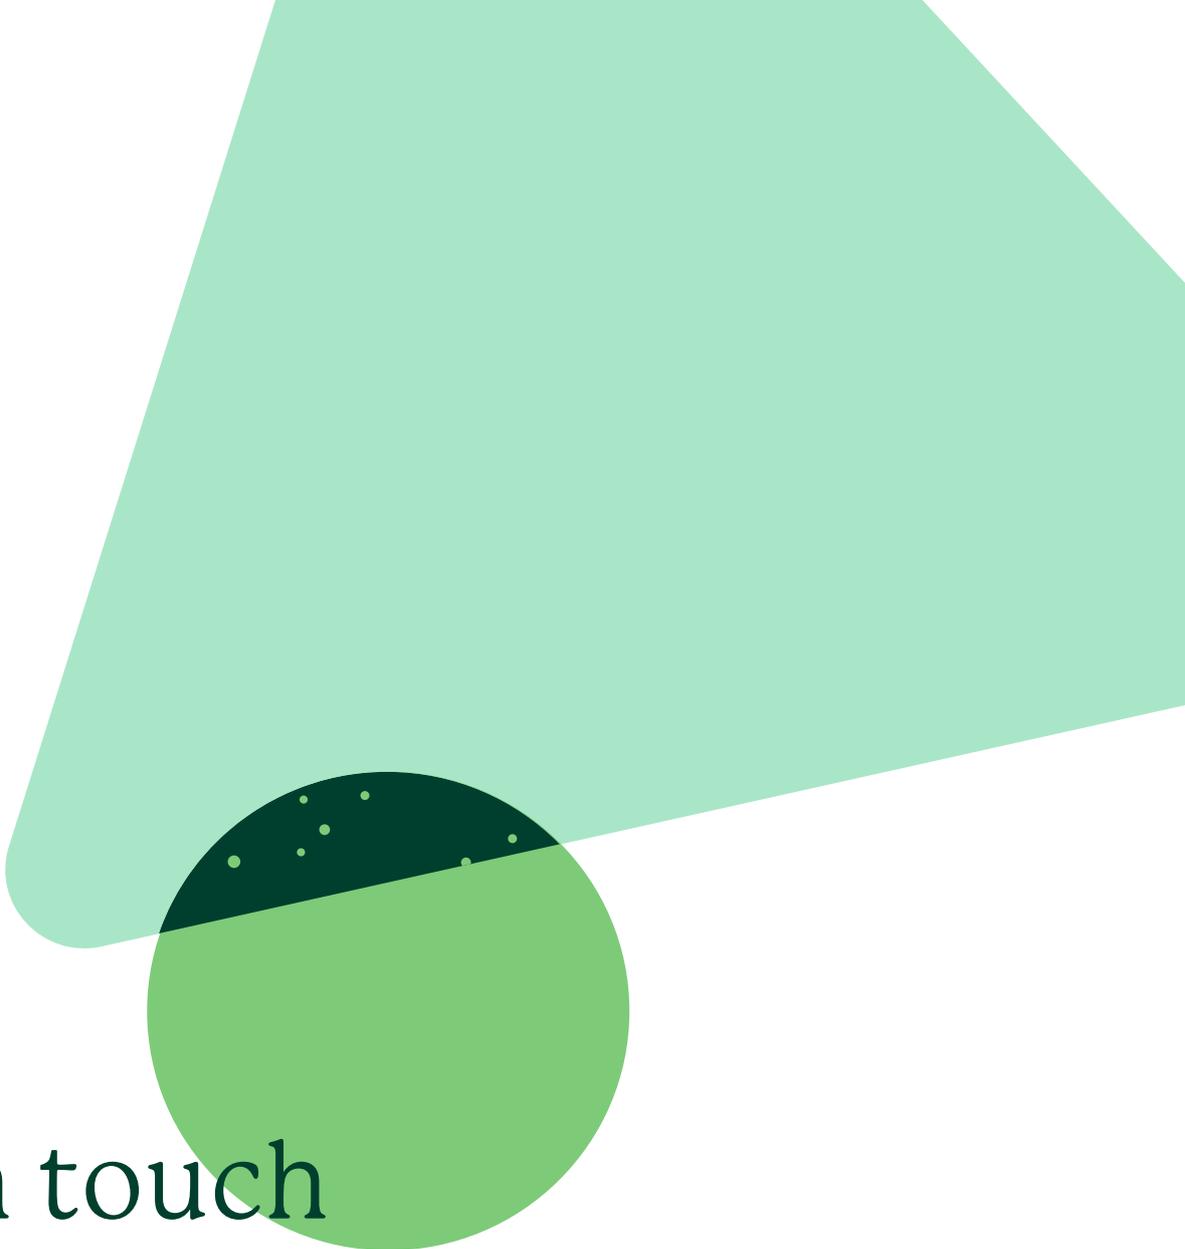

Process

ETP will hold your application information confidentially, and review your application within 10 working days.

Once your application has been approved, we will then progress to invoicing and setting up your access to our suite of membership benefits.
